

## **THE HOMEBASE EXPANSION CREW APPLICATION.**

First of all, thanks for supporting Homebase Skateshop. Please answer all the questions on this application as best as you can. There is no right or wrong answer to any of these questions- except maybe the part about your name and contact info, so please write what you genuinely feel and not what you think we want to read. Be sure you have read the requirements for joining the Homebase Expansion Crew on [www.Homebase610.com](http://www.Homebase610.com) and please bring in your application to Homebase when it is completed. Thanks for your continued support.
