* "Used" meaning the a purchase must be made equally the offers on the coupon being turned in.

- There is no limit to how many Homebase decks you can earn, the coupons just have to be used at Homebase before the next quarter.

- Decks will be given out every time a 5th coupon is used at Homebase.

* If Homebase decks are out of stock then you will be notified when they available for pick up.

Warning:

- Any attempts to find loopholes in the system to get yourself more product will equal immediate disqualification from the program. But who knows, if you find a loophole and warn me about it- maybe you'll get a reward. Please don't take advantage of an honest attempt to help skateboarding out. Thanks.
